# SPICE GIRLS

Thursday 11 January 2024

Celebrating 30 years of the  
UK's biggest-ever girl band

# The UK pop icons who put Girl Power on the world stage

In 1994, five remarkably individual and intensely ambitious women came together to form a brand-new, all-female pop band: the Spice Girls. Two years later, when they released their debut single *Wannabe*, it quickly became clear that they had something that listeners ‘really, really want’.

Thirty years later, we’re celebrating the chart-topping hits and iconic live performances of this legendary girl group with a new set of Special Stamps and a range of captivating collectibles featuring Posh, Scary, Baby, Ginger and Sporty in appearances spanning their career.

Explore a bumper Presentation Pack for stories and images revealing the group’s journey from a South London studio to the global stage – charting the crowded tours, bold fashion statements and enduring friendships that defined more than a decade of ‘Spicemania’.

You’ll also discover a retro-inspired Miniature Sheet, framed prints and a unique, highly collectible Gold Stamp Set.

Join us as we delve into a world where ‘Girl Power’ was more than just a catchphrase – it was a cultural phenomenon that continues to resonate with fans around the world.
